Subject: FW: outreach list for Florida re: assumption?

Found it in my assumption folder. I do not know why this wouldn't turn up in a search of all mail.

Subject: outreach list for Florida re: assumption?

Hi, Larry – Hopefully our official letter about Florida having submitted a complete package requesting 404 assumption reached you successfully. As part of getting the word out, the regulations also require that EPA use existing state, EPA, Corps, FWS, and NMFS mailing lists as the basis for sending out notifications to interested parties.

Do you know of such an email list, or have a point of contact in your public affairs/outreach office you could point me to that might have such a list for FWS, ideally Florida-specific?

Many thanks,
Rosemary
